### MASS FOR THE SICK

Our celebration of Mass with the Sacrament of Anointing of the Sick for this month will take place on Saturday, April 28.

We do encourage parishioners to inform those who would benefit from the sacrament to come along to this Mass. It is also recommended that parishioners offer to drive people to and from the Mass.

We are very grateful to the members of Life Ascending Australia, our parish ministry for seniors, who organise a morning tea to follow this Mass. If you are able to help by bringing along something for this morning tea, we do encourage you to do this.

### FR. BYRNE CENTRE

The sound system and the video system in this venue have been updated and people who are using it are asked to treat it with the utmost care. There is a new amplifier and new speakers. If people using the system require the use of microphones, they are asked to arrange this through the parish office.

#### PARISH REGISTRATION

If you have not filled out a Registration Form, please do so as soon as possible and return it to the Church or Parish Office. Forms are available at the back of the Church.

If you are a new parishioner, we ask you to complete a Registration Form, and return it to the Parish Office.

## From Monsignor Ron ...

Our reading from St John has words that have the ability to stop us in our tracks. "I am writing this to stop you sinning." These are very appropriate words for us to reflect upon. Certainly, no one of us is perfect and we do have this tendency to be rather self-centred. To me, more than anything else I would see these words as applying to what could be describe as our sins of omission. These are the failures to grab the opportunities to be loving people. These are the failures to grasp the opportunities to grow in our faith. These occur when we are not prepared to move out of our comfort zone and commit ourselves to live as a disciple of Jesus every moment of every day.

Thinking about these words of St John, I would suggest that he could just as easily have said that he was writing to show us how to be Saints. When we think about this I think we will discover that this is the reality. We were created to be Saints, people who grow to our full God-given potential as loving people and people who are ready to live with our loving God for all eternity.

However, I wonder if we really accept the fact that we were created to be Saints. Do we really want this? Do we really believe in our heart of hearts that Jesus has the only answer to a happy, joyful, peaceful, and fulfilling life? Do we really believe that we are in the presence of God in every moment? Do we really believe that he is constantly inviting us through prayer, through the people in our lives, and through the offence we experience, to continue growing as loving people?

We are so brainwashed by the values of society, that we have fallen into the trap of seeing this worldly lifestyle as necessary for a meaningful

existence. Unfortunately, too often to achieve this worldly lifestyle we keep God at a distance and we fail to totally accept our need of him. This is a tremendous pity for we run the risk of missing out on what life is all about.

If we keep God remote or in the shadows of our lives we will not see and experience our Saviour, Jesus Christ, who knows our problems, walks with us, accepts us the way we are, and who only wants to help us. This was a problem faced by the leaders of the chosen people who were quite satisfied in their comfort zones. They did not see that they needed a Saviour because they were the Chosen People. They did not see Jesus is relevant to their lives.

If we follow their example, we will not grow as God intended us to grow. If we do not have faith in the fact that the risen Lord is with us, if we don't really accept that he alone has the meaning of life, if we don't really believe that he walks through life with us, then he is as good as dead to us.

We need to admit we are sinners; we need to admit that we do need saving; we need to admit that our lives are nowhere near as good as they should be. If we really accept this, then Jesus is our Saviour and this is very important to admit. People who do not believe that they need to be saved cannot appreciate the love for us that is present in the life, death and resurrection of Jesus.

### RCIA RECOMMENCES:

On Monday evening April 16 we will have the first of three meetings as a follow-up to the RCIA Program. All parishioners are invited to attend.

The theme this week will be "the Coming Kingdom." This looks at sin and forgiveness, the resurrection of the dead, the world to come, the kingdom now in this moment.

Please contact the Parish Office, if you are **unavailable** for your rostered Ministry.

## REFLECTION FOR EASTER SEASON

BY ST FRANCIS DESALES

Do not look forward in fear to the changes of life;  
Rather look to them with full hope that as they arise,  
God, whose very own you are,  
will lead you safely through all things;  
And when you cannot stand it,  
God will carry you in His arms.

Do not fear what may happen tomorrow;  
The same everlasting Father who cares for you today  
will take care of you today and every day.

He will either shield you from suffering  
or will give you unfailing strength to bear it.

Be at peace and put aside  
all anxious thoughts and imaginations.

## CONFIRMATION PROGRAM

At the conclusion of the school holiday period, we will be taking applications for registration in regard to the sacramental program for Confirmation. To be eligible for the sacrament at St Andrew the Apostle Parish, there are a number of requirements.

- ◆ The candidate must have received the sacraments of Baptism, Penance, and First Holy Communion.
- ◆ All candidates must be in year five or upwards.
- ◆ All candidates need to be parishioners of St Andrew the Apostle Parish either through geographic location or by having chosen this parish as their place of involvement in the church.

## St Vincent DePaul Society

There will be changes in regard to the St Vincent DePaul Society as for the moment our conference will be closing down. This is happening for a number of reasons. In the first instance, the people who make up a conference have served us extremely well over a long time and given many years of service. Unfortunately, in recent times there has not been sufficient volunteers to allow us to continue conducting business as usual. Secondly, much of the work they have carried out in the past is now handled by the Blacktown hub.

It is important that we continue to offer support to people in need in our parish. In regard to this, we will still collect food items which will be distributed as needed. We will also be collecting money from the poor box to be used to help families in need within the Parish.

Naturally, in the short term, we would appreciate the help of volunteers. I would suggest that this is a wonderful way to get involved in reaching out to people and exercising our baptismal ministry. I would also ask the various groups in the parish to consider taking this on as part of their ministry.

We will need to look at re-establishing the St Vincent DePaul Society our parish as it undertakes a vital role in the life of the community and provides us with a way to be involved in outreach to our brothers and sisters who have particular needs. Ideas in regard to this would be welcome. People who would like to become involved in a new conference for the St Vincent DePaul Society are asked to contact the parish office.

At this stage, it is important that we know if people are prepared to make this commitment. Then, we can consider the idea of having an information evening.
